Custom & OEM Manufacturing

Your clinic's branding, molded into the silicone: choice of medical-grade (USP Class VI) or food-grade silicone, Shore 40A / 60A / 80A hardness tiers, custom colors, and embossed logo text. 500-unit minimum per colorway. Free shipping on all custom runs.

COMPLIANCE Both lines independently tested by an accredited third-party lab — ASTM F963-23, CPSIA lead & phthalates, 16 CFR 1500/1501: all pass. Test Reports No. RGST260130351 (Chew Bricks) & No. RGST260209701 (Teething Straws), Mar 2026 — downloadable at our website.

FREE SAMPLES We ship free evaluation sample kits to OTs, clinics, and school districts. Email us to request yours.
